"Artscapade"

Paint-out week - Saturday 14th April to Saturday 21st April 2012

PHILLIP ISLAND

The holiday town of Cowes will be our base. From here we can find plenty of inspiration within walking distance or day excursions further afield, whatever your favourite subject or medium! Picturesque coastlines with rugged rocks and rolling surf, farms, vineyards, old hop kilns, wetlands, koalas, penguins, seals, birds and more birds! Other tantalising painting subjects are: the fishing port of San Remo with boats and pelicans, Churchill Island, accessed by bridge, with its working heritage farm, an ancient Moonah forest and spectacular views across the bay of Westernport.

The Tropicana Motor Inn in a quiet Cowes location will accommodate us for **7 nights**. Also provided are **all breakfasts** and **2 course dinner each night** plus the use of a **conference room**. We look forward to an evening viewing of the days painting efforts, maybe with a pre-dinner drink! The Island is an easy 90 minute drive form Melbourne on a good freeway.

All this + appraisal of your artwork for less than $115/night per person
