The Australian Guild of Realist Artists Ltd. is a non-profit organisation whose aims include the promotion of contemporary forms of representative and realist art. One aspect of this promotion is to offer artists the opportunity to exhibit work in our gallery in Camberwell, Victoria. AGRA is located east of Melbourne city with plenty of parking nearby and public transport. Next door to Camberwell Town Hall we are surrounded by trees and are a short walk to busy Camberwell shopping centre, with many cafes and restaurants catering to all tastes. Melway 59 K2

Over the years AGRA Galleries have become a popular and successful venue due to the quality of the displayed artwork, professional hanging service and support from the local community.

We welcome your enquiry and look forward to answering any further queries. For an appointment to discuss your exhibition needs please telephone or email.
